

**17th Annual Group Meeting of AICRP on Tuber Crops –Glimpses
28th to 30th April, 2017 at UHS, Dharwad, Karnataka**

The 17th Annual Group Meeting of the AICRPTC was held at University of Horticulture Science, Bagalkot, Karnataka during 28th to 30th April, 2017. Apart from the 75 registered participants, Heads of Departments, Professors, Research Scientists and Research scholars of the University participated in the deliberations. Dr. Archana Mukherjee, Director, ICAR-CTCRI formally inaugurated the event on 28th April at 10 AM, which was presided over by Dr. D.L. Maheswar, Hon'ble Vice Chancellor, UHS. There were six technical Sessions including the Session on Action Taken Report of XVI AGM and Plenary Session at the end. A critical, but constructive evaluation of projects carried out at different centres was done by the house which consisted of several invited experts and decisions made have been included in the present proceedings as recommendations for the period 2017-2018. The Best Centre Award during 2016-2017 was presented to Ranchi centre of Birsa Agricultural University, Jharkhand by Dr. D.L. Maheswar, Hon'ble VC, UHS during the inaugural session and was received by Dr. Sengupta of BAU, Ranchi.
